

01.11.21 Science, technology, research and innovation Day

time	session title	room	organisers
8:30 9:30	Blindspots of net-zero strategies and how to address them	O	Circle Economy; University College London; Wageningen University; Research Carnegie Endowment for International Peace; Chatham House
10:00 11:00	What does transforming the energy system really mean? Adaptation, resilience & transition challenges	G	European Climate, Infrastructure and Environment Executive Agency (CINEA); Horizon Europe Climate, University of Exeter; Group of Chief Scientific Advisors to the European Commission
	Towards an emission neutral society: challenges and opportunities	O	H2020 project NAVIGATE represented by Potsdam Institute for Climate Impact Research; H2020 project Paris Reinforce, represented by National Technical University of Athens; H2020 project LOCOMOTION, represented by European Environmental Bureau; H2020 project VERIFY, represented by Laboratoire des Sciences du Climat et de l'Environnement
11:30 12:30	From Climate Research to Climate Services – How Satellite Observations contribute!	G	European Space Agency; European Commission – DG RTD; ECMWF; EUMETSAT
	Policy, business, and social challenges for carbon dioxide removals and carbon capture & storage	B	Zero Emissions Platform (ZEP); Delft University of Technology (TUD); Climate Strategies (C4U); JIN Climate and Sustainability (LANDMARC); VTT Technical Research Centre of Finland (NEGEM); GEOMAR Helmholtz Centre for Ocean Research Kiel (OceanNET); The Mercator Research Institute on Global Commons and Climate Change (GENIE); Carbon Capture and Storage Association (CCSA)
	The Journey from Scientific insights to Societal Action	O	European Climate Research Alliance; Climate Psychology Alliance; research projects SOCLIMPACT, COACCH (climate adaptation, modelling), PESETA IV (EU JRC); European University Association; ENGAGE (Exploring National and Global Actions to reduce Greenhouse gas Emissions), IIASA: The International Institute for Applied Systems Analysis
13:00 14:00	Too much data: How can the composite indicators and scoreboards explorer help you?	B	European Commission – Joint Research Centre
	Climate change and health in Europe: knowledge development and sharing efforts	G	European Environment Agency; European Academies' Science Advisory Council; CICERO – Center for International Climate Research; Women Leaders for Planetary Health, Lancet Pathfinder
	Beyond Cutting Methane Emissions: Why We Need to Enhance Atmospheric Methane Oxidation	O	University of Copenhagen; Cambridge Centre for Climate Repair
14:30 15:30	EO for Climate Action: Mitigation, REDD+, and the Global Stocktake	B	European Commission – Joint Research Centre; European Commission – DG DEFIS and DG RTD European Space Agency European Centre for Medium-Range Weather Forecasts

time	session title	room	organisers
14:30 15:30	The role of Photovoltaics for the Global Energy Transition	O	European Commission – Joint Research Centre;
16:00 17:00	Digital solutions as an enabler for climate action	O	European Commission – DG CONNECT and DG CLIMA; UNFCCC; European Green Digital Coalition; GIZ- Make IT Alliance
17:30 18:30	Climate Adaptation enabled through the Copernicus Services and international cooperation	G	The European Centre for Medium-Range Weather Forecasts & JRC on behalf of DG DEFIS
19:00 20:00	Net-Zero and Beyond: How Carbon Removal and Reduction Technologies Champion Climate Targets	O	South Pole; CCUS Projects Network; Global CCS Institute
19:00 20:00	Updates on the Emissions Gap and country action from major progress trackers	G	UNEP DTU Partnership; PBL Netherlands Environmental Assessment Agency; NewClimate Institute, Climate Analytics, Imperial College London
	Meeting our Sustainable Development Goals through an integrated carbon management approach	O	CO2GeoNet; Institute for Advanced Sustainability Studies; GFZ German Research Centre for Geosciences, GERICS, CO2Chem, Sheffield University, Global CO2 Initiative, CO2WIN/DECHEMA, Kassel University

02.11.21 Regional perspectives and international partnerships, local actors

time	session title	room	organisers
10:00 11:00	EUROCLIMA+: Together for a sustainable and low carbon post-pandemic recovery in Latin America	G	European Commission – DG INTPA; AECID, AFD, EF, FIIAPP, GIZ, CEPAL, UNEP
	Climate change and conflict: prevention, foresight, resilience and adaptation of populations at risk	O	European Commission – Service for Foreign Policy Instruments; European External Action Service; International Committee of the Red Cross, PIK
11:30 12:30	Solar to power Africa: building partnerships that deliver results	G	ISA-EU PSF Project; ISA; European Investment Bank; European Commission – DG ENER and DG INTPA; Ministry of Development Cooperation, Government of Denmark; ESMAP
	Long-Term Strategies: Priorities, Lessons and Opportunities for International Cooperation	O	German Advisory Council on Global Change; German Development Institute; Enhanced Regional EU-ASEAN Dialogue Instrument; Climate Recon 2050 members
13:00 14:00	Climate Action in the Mediterranean	G	Union for the Mediterranean; Ministry of Agriculture, Rural Development and Environment of Cyprus; Clima-Med; MedECC
	Shifting public support and policies towards a clean and just energy transition in the Global South	O	International Institute for Sustainable Development (IISD); Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ); Institute for Advanced Sustainability Studies, Government of Nepal

time	session title	room	organisers
14:30 15:30	Supporting green & climate resilient development: local to global insights on the AU-EU Partnership	G	Climate Action Network Europe; SNV Netherlands Development Organisation; German Development Institute (DIE)/European Think Tanks Group (ETTG)
	Inspire, Inform, Innovate – EU regional climate adaptation opportunities for global action	O	EIT Climate – KIC; European Committee of the Regions
16:00 17:00	Transforming climate solutions for business, cities and civil society in Europe & Latin America	G	Portuguese Government's Ministry of Environment and Climate Action; Technical University of Madrid; Spanish Confederation of Business Organisations and Industries; ECODES – Foundation for Ecology and Development; Consejo Empresarial Iberoamericano; Cascais municipality
	African Business Roundtable	O	African Business Roundtable Network
16:00 19:00	Addressing climate change impacts on cultural and natural heritage	B	Coordination Unit of the Greek Initiative
17:30 18:30	Connecting the dots: From ambition raising to mission zero	O	European Commission – Joint Research Centre; German Environment Agency; National Center for Climate Change Strategy and International Cooperation in China; Carbone 4
19:00 20:00	Working at different public policy scales in West Africa to meet up the climate challenge and the PA	G	Expertise France; Economic Community of West African States; French Development Agency

03.11.21 Biodiversity, nature-based solutions, oceans

time	session title	room	organisers
10:00 11:00	Clean energy transition in the Western Balkans: biomass, renewables, land restoration and green jobs	G	Center for International Forestry Research; E3 International; Resilient Landscapes; CIFOR-ICRAF; UNDP
11:30 12:30	Why Nature based Solutions are crucial for climate and resilience.	B	Global Climate Change Alliance Plus; CIFOR-ICRAF; Global Network of Civil Society Organisations for Disaster Reduction; UN Environment Programme; European Commission – DG INTPA
	Unlocking investments to deliver equitable nature-based solutions for a green, healthy and resilient future	G	Food and Agriculture Organization of the United Nations; European Commission – DG INTPA Wildlife Conservation Society; Forests4Climate&People Project; XV World Forestry Congress Secretariat
13:00 14:00	Polar warming, global warning.	B	EU Polar Cluster; KEPLER; EU PolarNet 2; CHARTER; iCUPE; JUSTNORTH; SIOS; SOCHIC; TIPACCs; British Antarctic Survey; Alfred Wegener Institute; European Polar Board; University of Grenoble

time	session title	room	organisers
13:00 14:00	Strengthening nature abilities to deliver effective climate actions in Africa	O	WWF Africa Adaptation Initiative; Africa Protected Areas Congress (APAC)
14:30 15:30	Nature for Climate & Biodiversity in Cities: entrepreneurship, co-creation and engagement Climate change mitigation and adaptation through coastal ecosystems conservation and restoration	O G	City of Glasgow Council; Ecologic Institute (coordinator of Horizon2020 INTERLACE); University of Sheffield (coordinator of H2020 CONEXUS); Climate Alliance; Social Climate (coordinator of NbS incubator in Malaga via H2020 Connecting Nature and The Climate Journey); International Federation of Consulting Engineers ICRS; Friendship, GEOMAR
16:00 17:00	Climate Neutrality and Biodiversity: renewables assets, reporting standards and sustainable finance Resilient by Nature: Scaling-up and Financing Nature-Based Solutions (NBS)	G O	European Association of Environmental and Resource Economists; Global Reporting Initiative (GRI); NextEnergy Capital Group; School of Economics and ReSEES Laboratory; Athens University of Economics and Business; ATHENA Information Technology Research Center; FSR Climate; European University Institute; University College London Global Facility for Disaster Reduction and Recovery; World Bank; UN Environment Programme & UNEP World Conservation Monitoring Centre; Friendship NGO
17:30 18:30	Keynote speech on MOSAiC – the greatest Arctic expedition of our time Achieving sustainability: the role of corporations, strategic litigation and ecocide law	G O	Alfred Wegener Institute; Helmholtz Centre for Polar and Marine Research Germanwatch; International Bar Association; Stop Ecocide Foundation, Ecosia

04.11.21 Climate and sustainable finance / Carbon markets

time	session title	room	organisers
8:30 9:30	IPSF Annual Event – Driving the transition to a sustainable economy: towards more globally interoperable sustainable finance approaches Banks & insurers role in supporting the sustainability transition: investment, lending, underwriting	G O	European Commission – DG FISMA; The International Platform on Sustainable Finance (IPSF) Insurance Europe; European Banking Federation; ClimateWise (convened by The University of Cambridge Institute for Sustainability Leadership)
10:00 11:00	The role of the private sector in the alignment of financial flows and the implementation of NDCs The role of Taxonomy to drive market alignment with the Paris agreement	G O	Government of the Netherlands, Ministry of Economic Affairs and Climate Policy; United Nations Environment Programme, Climate Change Adaptation Unit; Government of Ghana, Ministry of Environment, Science, Technology & Innovation – Environmental Protection Agency; Government of Switzerland, Federal Office for the Environment European Investment Bank; European Bank for Reconstruction and Development; European Commission – DG FISMA
11:30 12:30	Translating climate ambition into delivery	G	European Organisation of Supreme Audit Institutions; European Court of Auditors
11:30 12:30	Opportunities and challenges for sustainable green finance : the case of Kenya	O	European Commission – DG INTPA; European Union Delegation to Kenya; National Treasury, Government of Kenya

time	session title	room	organisers
13:00 14:00	Pricing Carbon to Support a Transition to Net Zero	G	Carbon Pricing Leadership Coalition; Centre of Engineering and Product Development; European Roundtable on Climate Change and Sustainable Transition (ERCST); International Emissions Trading Association; Krajowy Ośrodek Bilansowania i Zarządzania Emisjami; Centre for Climate and Energy Analysis; Redshaw Advisors; University of Maryland
	Challenges and opportunities when putting sustainable finance into practice	O	European Commission – DG GROWTH; Forum per la Finanza Sostenibile The Institutional Investors Group on Climate Change
14:30 15:30	Mobilising finance for clean tech deployment	B	European Commission – DG CLIMA; European Innovation Council and SME Executive Agency (EISMEA); UNEP
	Carbon markets & net-zero: trends and prospects in the domestic, international and voluntary markets	G	International Carbon Action Partnership; Environmental Defense Fund; European University Institute; Oeko-Institut, World Wildlife Fund; CAKE-KOBIZE, International Emissions Trading Association
	Climate action in banking: sharing our progress, learnings and challenges	O	European Association of Co-operative Banks; Bank of Greece; Nordea; BBVA
16:00 17:00	Upscale energy efficiency financing – identifying and overcoming the investment gap	B	European Commission – DG ENER; EEFIG; Cool Up
	Important considerations and capacity building needs to implement the Article 6.4 mechanism	G	Organisation for Economic Cooperation and Development; International Energy Agency; Climate Analytic; NewClimate; Öko-Institut; UNEP DTU Partnership; Global Green Growth Institute
	Aligning finance with the Paris Agreement and unlocking \$100 billion	O	The German Institute for Economic Research; Perspectives Climate Group; Finnish Institute of International Affairs (FIIA); Germanwatch; NewClimate Institute; World Resources Institute
17:30 18:30	Climate responsibility, climate action and carbon credits	G	German Environment Agency; Wuppertal Institut für Klima; Umwelt; Energie gGmbH; South Pole Carbon Asset Management; Carbon Footprint Italy; Carbon Market Watch; NewClimate Institute
	EU Sustainability Reporting Standards and the future of sustainability reporting	O	European Commission – DG FISMA C1; European Commission – DG FISMA A4
17:30 19:00	How can public money contribute to a clean transition?	B	European Commission – DG ECFIN and DG REFORM; International Monetary Fund; OECD; Institute for Climate Economics; ODI; International Institute for Sustainable Development
19:00 20:00	Net Zero beyond climate: turning commitments into action	O	Climate Disclosure Standards Board; Cambridge Institute for Sustainability Leadership; South Pole; Alliance of Bioversity International and the International Center for Tropical Agriculture
20:30 21:30	Building blocks for transformative climate action	O	European Commission – Joint Research Centre; Institute for Climate Economics; French Development Agency

05.11.21 Energy transition

time	session title	room	organisers
08:30 09:30	Leading the way towards net zero: Hydrogen as a missing piece of the puzzle for a green energy transition	B	Fuel Cells and Hydrogen Joint Undertaking; European Commission – Research and Innovation Policy on Hydrogen; NovAzure; Engie; EU Public Affairs Advisor Northern Netherlands (SNN)
	Powering the EU through 2050: turning the bioeconomy into reality	O	Metabolic Institute; Global Omnium; Finnova
10:00 11:00	Global Guarantees of Origin for Clean Hydrogen	B	Hydrogen Europe
	Ensuring a just and people-centred transition	G	European Commission – DG ENERGY; International Energy Agency
	The Market State of Biomethane and Hydrogen – Providing Insights	O	Gas for Climate; DESFA; Enagás; Energinet; Fluxys; Gasunie; GRTgaz; ONTRAS; OGE; Snam; Swedegas; Teréga; European Biogas Association; Consorzio Italiano Biogas
11:30 12:30	Potential of offshore renewable energy and green hydrogen to power the global energy transition	G	European Commission – DG ENERGY; IRENA
	Voices from the regions: sharing first-hand experiences on coal phase out in Europe and beyond	O	Secretariat of the Initiative for Coal Regions in Transition; Secretariat of the Initiative for Coal Regions in Transition for Western Balkans and Ukraine; CINTRAN H2020 project; Powering Past Coal Alliance (PPCA) Secretariat
13:00 14:00	Efficiency: The First Renewable Energy	O	International Passive House Association; Velux
14:30 15:30	Building a resilient and decarbonised grid to meet customers' expectations	B	Enedis; Engie; Electric Power Research Institute
	Driving Climate Action with Data – the Role of the International Methane Emissions Observatory	G	European Commission – DG ENERGY
	Decarbonising Buildings: the importance of energy efficiency and low-carbon construction materials	O	VELUX A/S; European Alliance of Companies for Energy Efficiency in Buildings; Project ABC 21 – Africa-Europe BioClimatic Buildings for XXI Century
16:00 17:00	UN Energy compacts	G	European Commission – DG ENERGY; IEA, IRENA
	Delivering on the Global Methane Pledge: What role for the EU-Eastern Partnership cooperation?	O	Permanent Representation of Poland to the EU; Ministry of Energy of Ukraine; European Commission – DG Energy; Florence School of Regulation
17:30 18:30	Lessons for a net-zero carbon grid	G	Renewables Grid Initiative; Ministry of Infrastructure and Water Management (NL); ABB

time	session title	room	organisers
17:30 18:30	How to achieve an Equitable Energy Transition in Extractive-based Developing and Emerging Economies?	O	OECD Development Centre The Commonwealth Secretariat, Carbon Tracker Initiative
19:00 20:00	De-risking & scaling-up renewables through market-based policies – practices from EU & the world	G	Horizon2020 AURES 2 Project; Guidehouse, Fraunhofer ISI
	The role of cities in the energy transition – Hydrogen for urban climate neutrality	O	City of Dortmund; German Energy Agency (DENA) and E.ON SE

06.11.21 Circular economy, sustainable industry

time	session title	room	organisers
8:30 9:30	EU's international cooperation on Circular Economy: a systemic response to climate change	O	European Commission – DG INTPA; The SWITCH to Green Facility
10:00 11:00	Circular solutions by communities, business and youth: scaling up to reach the 1.5-degree target	G	European Circular Economy Stakeholder Platform together with European Commission – DG Environment and the EESC; EIT Climate-KIC; Ellen MacArthur Foundation; Finnish Innovation Fund Sitra; Generation Climate Europe; Public Waste Agency of Flanders (OVAM)
	Businesses combatting climate change: Goal 13 Impact Platform, Voices from the Market Report	O	Goal 13 Impact Platform; Confederation of British Industry; Accounting for Sustainability; Chapter Zero; the Met Office; Dell Technologies; Deloitte
11:30 12:30	How can ICT companies help enable Europe's transition to net zero emissions by 2050	G	Facebook Inc; Ericsson
13:00 14:00	Green business globally: green technology solutions for climate friendly and circular business design	G	Mechanical Engineering Industry Association VDMA; Future Urban Living
	Circular economy & local governments: sustainable resource management to mitigate climate change	O	ICLEI – Local Governments for Sustainability, European Secretariat & ACR; HESAM University; UN Habitat; European Circular Cities Declaration
14:30 15:30	The role of policy framework, standards & support tool for businesses to become climate-neutral	B	CEN-CENELEC; EUROCHAMBRES; BusinessEurope
	How can business engage the value chain in achieving the net zero challenge?	G	Entreprises pour l'Environnement; IHG Hotels & Resorts®; Foretica

time	session title	room	organisers
14:30 15:30	From the mine, to steel to the end products: how to decarbonise an entire value-chain.	O	HYBRIT; LKAB
16:00 17:00	Towards a net-zero economy: dialogue of industry, capital markets and civil society	B	A.SPIRE (Processes4Planet); Planet Tracker; European Commission – DG RTD and DG GROW; Bellona Foundation
	Breaking the Mould: Investment Tools for the EU to Pivot Towards Sustainable Plastics	B	Planet Tracker
	Building a case for green economic and political cooperation in a net zero world	G	CLG Europe; Stiftung 2 Grad; Japan Climate Leaders' Partnership; National Business Initiative
16:00 16:30	Between Adaptation and Mitigation: the Role of Circular Economy in tackling Climate Change	O	Veneto Region Regional Council; Regional Council's political groups; Presidency of Kujawsko-Pomorskie Region Policy Lab for a Europe made by Circular Regions
16:30 17:00	Leading the effort: Regional Policymakers enabling the transition toward a circular economy	O	Veneto Region Regional Council; Regional Council's political groups: Liga Veneta p.S.P. and Zaia Presidente; Presidency of Kujawsko-Pomorskie Region
17:30 18:30	Towards climate neutral industry – Europe as frontrunner in the global steel transition	G	Wuppertal Institut for Climate, Environment, Energy; European Round Table for Industry; IN4climate.NRW; Lund University; Agora Energiewende
	Next EU Generation Startup Europe Awards (SEUA) for Circular and Disruptive Solutions in Textiles	O	Finnova; Zero Waste Scotland
19:00 20:00	Leading the way to carbon neutrality – best practices and business solutions	G	Ministry of the Environment of Estonia and Confederation of Finnish Industries EK; Stockholm Environment Institute

08.11.21 Agriculture, land use, forestry

time	session title	room	organisers
8:30 9:30	Land for climate and biodiversity: scientific challenges and highlights from EU-China cooperation	G	European Commission – JRC; Strategic Partnerships for the Implementation of the Paris Agreement Programme
10:00 11:00	Policy Coherence, Climate Finance Mobilization and Collaborative Action for a Food Systems Transform	G	International Panel of Experts on Sustainable Food Systems; Food System Economics Commission; World Economic Forum; Cooperative Partnership for Climate-Smart Food and Forestry

time	session title	room	organisers
10:00 11:00	Digital Climate Advisory Services: bridging the divide between science, policy and practice	O	Wageningen University and Research; World Resources Institute (WRI), International Research Institute for Climate and Society (IRI), World Food Programme (WFP), World business council for sustainable development (WBCSD), Digital Agri Hub
11:30 12:30	Tackling climate change from Farm to Fork: Transformative pathways for more sustainable food systems	G	ProVeg International; Barilla Center for Food & Nutrition Foundation; Oatly; Organic for Climate; European Alliance for Plant-Based Foods
	Options for climate-neutral transition towards sustainable food systems and forest management	O	European Commission - JRC; Food and Agriculture Organization of the United Nations
13:00 14:00	Mobilising private sector engagement for climate-smart agricultural innovation	G	SNV Netherlands Development Organisation; CCAFS; World Benchmarking Alliance
	Achieving NDC commitments through transforming agri-food systems	O	Food and Agriculture Organization of the United Nations; Potsdam Institute for Climate Impact Research; University of Kassel; The Global Alliance for Climate-Smart Agriculture; Platform of Latin America and the Caribbean for Climate Action in Agriculture; United Nations Convention to Combat Desertification; Adaptation Fund
14:30 15:30	Carbon Farming in a 2030 agenda for soil health and climate	G	European Conservation Agriculture Federation; South Pole; INRAE; CIRAD; IRD; "4 per 1000" International Initiative
	Transforming agriculture and food systems through inclusion, resilience and low carbon action	O	Food and Agriculture Organization of the United Nations; EU - DG Climate; IAAS; World Food Forum; Government of Quebec; The Cacao Project
16:00 17:00	Carbon pricing & fiscal policies for a just agriculture & food transition?	O	True Animal Protein Price Coalition; SEFARI
17:30 18:30	Forest ecosystems trends and innovation: satellite observation, simulations, and fire fighting	G	Helmholtz-Climate-Initiative; Forest ecosystems; Global Forest Resources Assessment; Forestry Division of FAO Firefighting Open Innovation Lab - CILIFO (Finnova)
	Local sustainable agriculture and bio wine districts towards climate neutrality	O	Azienda Agricola Isola Augusta; AgriFormazione in Chianti
19:00 20:00	Energy Community's Contracting Parties vital role towards the 2050 target of a carbon-neutral European continent	G	Climate Action Network Europe; Energy Community Secretariat
	Tracking private finance for forests: approaches and opportunities for tropical forest countries	O	European Forest Institute (EFI); United Nations Environment Programme (UNEP)

09.11.21 Adaptation and resilience / Cities

time	session title	room	organisers
08:30 09:30	EU Ocean Day	G	European Commission – DG MARE; Plymouth Marine Laboratory (PML); Ocean and Climate Platform; European Bureau for Conservation & Development (EBCD) and the Government of Galicia.
10:00 11:00	The launch of Adaptation Without Borders: a new era in international cooperation on climate change	G	Adaptation Without Borders; European Commission – DG CLIMA Stockholm Environment Institute; Overseas Development Institute; Institute for Sustainable Development and International Relations; ENDA énergie; Institute for Global Environmental Strategies; University of the West Indies; International Centre for Integrated Mountain Development (ICIMOD); Business for Social Responsibility (BSR); Elisabeth Haub School of Law at Pace University; Winrock International; PlanAdapt; Mediators Beyond Borders International
	Climate adaptation – through infrastructure risk resilience and governance – a global perspective	O	Coalition of Disaster Resilient Infrastructure; European Union Delegation to India; UK Met office; University of Exeter
11:30 12:30	Gulbenkian Foundation's Prize for Humanity	G	Calouste Gulbenkian Foundation; Global Covenant of Mayors; European Commission – DG CLIMA – DG ENER; Bloomberg Philanthropies; Global Covenant of Mayors Secretariat and Gulbenkian Foundation
	How to turn a city into a smart and net-zero city?	O	TU Berlin; Smart Cities Marketplace; Arctik; Accenture
13:00 14:00	Financing sustainable energy access: Building resilient and net-zero local economies	B	Alliance for Rural Electrification (ARE); GET.invest; European Commission – DG INTPA
	Facta, non verba: How cities & regions can deliver the EU Green Deal for a climate neutral future	O	ICLEI- Local Governments for Sustainability, European Secretariat; European Commission – DG GROW; City of Aarhus; City of Mannheim; Conference of Peripheral Maritime Regions; Eurocities; European Committee of the Regions; Région Centre Val de Loire
14:30 15:30	How can better disaster risk finance, data, and innovation enable sustainable adaptation?	B	United Nations University – Institute for Environment and Human Security (UNU – EHS); Munich Climate Insurance Initiative; United Nations Capital Development Fund; Caribbean Catastrophe Risk Insurance Facility (CCRIF SPC)
	Localizing the NDCs: how do we fund and implement action at scale?	G	Global Covenant of Mayors for Climate and Energy; European Covenant Office and Global Covenant; European Commission – DG ENER, DG CLIMA, DG INTPA and DG NEAR; FPI; European External Action Service; Committee of the Regions; GCoM Canada, USA, Korea, Japan, East Asia, South Asia, Southeast Asia, Oceania, Sub-Saharan Africa; CoM-Mediterranean, Latin America; C40; ICLEI; UCLG; UN-HABITAT; CEMR; EUROCITIES; ICLEI Europe; Energy Cities; Climate Alliance; FEDARENE
	Why investing in scaling up gender-responsive climate action matter?	O	United Nations Population Fund; Risk-informed Early Action Partnership (REAP); InsuResilience Global Partnership; International Federation of Red Cross and Red Crescent Societies; Anticipatory Action Task Force; Anticipation Hub; CARE
16:00 17:00	Race to Zero: Transforming cities through data, research and art	B	United Nations University – Institute for Environment and Human Security (UNU – EHS); ICLEI – Local Governments for Sustainability – Europe
	From policymaking to implementation: regional innovative solutions for climate change adaptation	G	Overseas Countries and Territories Association; The Basque Government; The Government of the Balearic Islands and the Portuguese Government's Ministry of Environment and Climate.
	Harnessing collective initiatives to achieve Europe's 2050 climate neutrality goal	O	Covenant of Mayors for Climate & Energy – Europe; Global Covenant of Mayors; Climate Alliance; ICLEI – Local Governments for Sustainability – Europe
17:30 18:30	The EU-OACPS Partnership: strengthened cooperation on climate action and the use of science-based information to build resilience	B	European Commission – DG INTPA; Organisation of African, Caribbean and Pacific States

time	session title	room	organisers
17:30 18:30	Adaptation beyond the EU: perspectives for stronger cooperation with Africa	G	French Development Agency; IEA, European Climate Change Adaptation conference (CASCADES ECCA 2021); African Union NEPAD; UNDP; NAP-GN; JPI Climate; Walker Institute
	Racing to 1.5°: cities mainstreaming evidence-based climate & energy policies in Europe & Mediterranean	O	Covenant of Mayors for Climate & Energy – Europe and Global Covenant of Mayors for Climate and Energy; EU funded project Clima-Med, Acting for Climate in South Mediterranean; EU-funded 'ENI CBC MED' Programme Managing Authority hosted by the Autonomous Region of Sardinia in Italy; Municipality of Segrate
19:00 20:00	Smarter, Faster and Systemic: Accelerating adaptation for a climate-resilient tomorrow	G	European Investment Bank; Sniffer; Climate Ready Clyde; European Commission – DG CLIMA; ECMWF (Copernicus Climate Change Service); European Environment Agency; Glasgow City Region; Global Center on Adaptation ; Swedish University of Agricultural Sciences
	Water is coming! A place-based and multidisciplinary lens on coastal adaptation	O	Conference of Peripheral Maritime Regions; Fondazione Centro Euro-Mediterraneo sui Cambiamenti Climatici; Joint Programming Initiative Connecting Climate Knowledge for Europe (JPI Climate); Joint Programming Initiative for Healthy and Productive Seas and Oceans (JPI Oceans); Samuel Cohen-Salmon; Sète Agglopolé Méditerranée

10.11.21 European Green Deal, climate-neutrality, just transition

time	session title	room	organisers
10:00 11:00	Net Zero Compact - net zero roadmaps	G	European Commission – DG CLIMA; IEA; IRENA
	Ensuring an effective Global Stocktake: what role for civil society & the climate science community?	O	ClimateWorks Foundation; Center for Climate and Energy Solutions; ClimateWorks Foundation; CNRM-Météo-France (EU H2020-ESM2025)
11:30 12:30	Carbon pricing in the European Union: an invitation to the world. The Carbon Border Adjustment Measure and the EU Emissions Trading System for the aviation and maritime sectors in a global perspective.	G	European Parliament Delegation to COP26
	Informing the Global Stocktake – Emissions reduction targets and beyond	O	CDP Europe gGmbH, IDDRI, Wuppertal Institute; CDP; Institut du Développement Durable et des Relations Internationales; the independent Global Stocktake initiative; Wuppertal Institute
13:00 14:00	New European Bauhaus: a global dimension	B	European Commission – JRC, New European Bauhaus Unit
	How to listen, How to talk, How to act – bringing citizens' voices to COP	G	European Commission – DG CLIMA; Climate Pact Ambassadors
14:30 15:30	Challenges and opportunities in achieving climate neutrality: from knowledge to systemic change	B	Joint Programming Initiative "Connecting Climate Knowledge for Europe"; Inner Green Deal Initiative

time	session title	room	organisers
14:30	Green Deal as tool/ example for green recovery in developing countries and subnational governments.	G	The Council of European Municipalities and Regions; The Global Green Growth Institute
15:30		O	World Benchmarking Alliance; European Commission - DG INTPA
16:00	EU initiatives in support of the green and digital twin transition	G	European Commission - DG CONNECT and DG CLIMA; UNFCCC; BMZ/GIZ Global Digital Transformation program
17:00		O	European Commission - DG REGIO; European Commission - DG ENER and DG CLIMA
17:30	Getting serious about the green economy: social and economic tools to achieve bold climate targets	G	Ministry for the Ecological Transition and the Demographic Challenge, Government of Spain; UCL Institute for Innovation and Public Purpose
18:30		O	Climate Investment Coalition; Finance for Tomorrow; KPMG's Net-Zero Equity Financing Product
19:00	Just Transition: Putting People & Fairness at the Heart of the Transition to Climate Neutrality	G	European Commission - DG EMPL, JRC; Scottish Government; Friedrich-Ebert-Stiftung; Net Zero Technology Centre; Associazione TES - Transizione Ecologica Solidale
20:00			
20:30	Just Transition of workers in the transition to net-zero emissions	G	IndustriAll Europe; IndustriAll European Trade Union and IndustriALL Global Union
21:30			

11.11.21 Citizens, youth, gender

time	session title	room	organisers
08:30	Youth and Climate Action European Climate Pact & Youth Sounding Board	O	European Climate Pact, European Commission - DG CLIMA; Youth Sounding Board, DG INTPA
09:30			
10:00	Launch of the EU-Pacific Green-Blue Alliance: inspiring stories from Youth leaders	G	European Commission - DG INTPA
11:00		O	European Commission - JRC and DG EAC; Office for Climate Education and Climate Fresk
11:30	Youth and decision-makers discuss nature, energy, water and sustainability in the global economy	G	European Economic and Social Committee; Youth4Nature (Y4N); European Youth Parliament for Water; European Youth Energy Network; Fair Trade Advocacy Office; Generation Climate Europe; Young leaders in Energy & Sustainability; BRICS Youth Energy Agency & others
12:30			

time	session title	room	organisers
11:30 12:30	How Civil Society and Business engage in climate action – and where Policymakers need to follow.	O	BUND – FoE Germany (in cooperation with CAN International and Friedrich-Ebert-Foundation); Conscience Consulting (for the Coalition for Radical Decarbonisation of Materials); Aiming to End Fuel Poverty in Social Housing in P31\Scotland, Green Digital Finance Alliance
13:00 14:00	From Science to Policy and Action: Human Mobility in Times of Climate Change	G	Platform on Disaster Displacement; International Youth Federation; Potsdam Institute for Climate Impact Research; Youth4Nature
	Climate impacts as drivers of displacement: science, human rights and policy response	O	European Commission – JRC; European Commission – DG INTPA; UN Office of the High Commissioner for Human Rights; UN High Commissioner for Refugees; Potsdam Institute for Climate Impact Research
14:30 15:30	Ice Box Challenge Glasgow: The results of a public experiment	G	International Passive House Association
	Shaping the future of our climate through education and practice	O	Zenaga Foundation; Salamanca University
